

Tania Melnyk
Manulife Bank of Canada

Tania Melnyk is the Director of National Accounts heading up Western Canada at Manulife Bank. Tania brings 30 years of financial industry experience with her and has been with Manulife Bank for 5 years.

She is a 2019 and 2020 Manulife Presidents Club winner and a Stars of Excellence Award recipient which is a testament to her passion for helping her peers, building trust relationships with advisors, and providing cash flow solutions to clients.

Tania is dedicated to personal development including leadership, sales coaching, and personal coaching.

When Tania is not at work you will find her travelling, reading, hiking, camping, and enjoying the outdoors with her husband Brad. Whenever possible they enjoy time at the lake and travelling with her two adult sons and their families.
