

Felix Leung MBA, CPA, CGA, CFP, CIM, FCSI, EPC

In 1998, Felix Leung became an independent professional and founded his own firm to help individuals and business owners like you! Since then, the firm became a professional corporation since 2012. Located in the GTA, we are dedicated to providing friendly, professional, and personalized services to all of our clients.

Felix has decades of experience in the accounting field. He started his career since 1983 by joining one of the Big Four accounting firms as an audit assistant. He continued to advance his career by working with local and international private and public companies. His expertise lies in the technology and the manufacturing sectors as an accounting manager and controller.

Felix received his Master of Business Administration from University of Macau in 1989 and qualified as a Certified General Accountant (Ontario) since 1994. He became a Certified Financial Planner and a Fellow of CSI since 2001, as well as a Chartered Professional Accountant since 2014.
